

# THEATRE AT VIS

A MINISTRY OF VISITATION CATHOLIC CHURCH

## Sponsorships

Thank you for your interest in sponsoring Theatre at Vis' production of *Annie the Musical*. Putting on a great show takes time, hard work and talent—we've got plenty of that! It also takes financial support from the community and that's where you come in! Help us continue a long-standing tradition of helping Kansas City area youth develop a love for performance and fine art while building long-lasting friendships with peers from our community.

Your contributions help pay for sets, lighting and musicians - all of which are vital to a successful, high-quality performance.
